

# Mehr group (reviewers)

Colors of the rainbow SF4

**REVIEW**

A 3D illustration of a grey, humanoid figure holding a magnifying glass over the word "REVIEW". The word is rendered in large, bold, teal letters. The background is white.

*We need more reviewers!*

# Opponent positive

- Good criticism
- Good debatable questions

# Opponent negative

- Doesn't state question clearly
- Doesn't speak loudly
- Doesn't comprehend the answer given

# Reporter positive

- Relevant pictures which makes understanding of the experiment easier (of her own experiment)
- They provided us with Step by step explanation
- Experiment is reasoned correctly
- Used white board to explain
- Tries to respond thoroughly to opponent's question

# Reporter negative

- Speaking too fast therefore sometimes not clear
- Rushed and doesn't speak clearly
- Small font
- Doesn't answer questions properly
- Didn't have a conclusion
- Had not conducted enough experiments to complete the question
