

# 5. Disinfectants

Opponent  
Eleftheria Nikolaou

# Theory

Pros:

He has added images  
that help one  
understand the theory

Cons:

The theory is irrelevant with  
the experiment  
It is insufficient

# Experiment

Pros:

The results were showed in nice graphs

It was a well structured experiment

Cons:

The reporter should have examined more variables in his experiment

# Conclusions

The theory was insufficient and irrelevant with the experiment

The experiment was nicely conducted by the reporter

Thank you
