

# Topic 22:

Opponent: Alisa Otchertsova

International Young Naturalists' Tournament

# Task

**PINEWOOD**  
AMERICAN INTERNATIONAL SCHOOL

Ask several members of your team to volunteer for three tests: blink normally; blink as frequently as they can; do not blink for the longest possible time until they feel uncomfortable or blink involuntarily. Measure each frequency and analyze the results.

# Theory

**PINEWOOD**  
AMERICAN INTERNATIONAL SCHOOL

## Strengths

Explained theory well

Has a formula

## Weaknesses

Too much text-Hard to read

Formula not explained

# Experiment

**PINEWOOD**  
AMERICAN INTERNATIONAL SCHOOL

## Strengths

Has a hypothesis

Clear variables

## Weaknesses

Unstable characteristics of participants

# Results

**PINEWOOD**  
AMERICAN INTERNATIONAL SCHOOL

## Strengths

Had tables

## Weaknesses

No labels

# Conclusion

**PINEWOOD**  
AMERICAN INTERNATIONAL SCHOOL

Strengths

Weaknesses

Referred to hypothesis

Thank you
