Dear Eugene

I am writing following your fax and my conversation with Eugene Pickersgill last night to propose a cultural exchange scheme for 1993 between ourselves and AESC, Moscow University.

1 We propose that a group of 9 students plus staff etc (listed at annex A below) visit Moscow, subject to the usual terms and conditions, from 18th to 27th February 1993 inclusive (travel arrangements shown at annex B below).

2 We invite a corresponding group to visit us in Cambridge from approximately 13th July to 24th July 1993, subject to the usual terms and conditions. The details of dates and programme content may be finalised during the February visit.

We are pleased to inform you that our principal MrGreenhalgh is in approval of these arrangements pending receipt of your formal agreement document

We have made provisional travel arrangements and will be pleased to receive your official invitation in time for the processing of visa applications at your London embassy.

Our best wishes for the coming festival season.

Yours sincerely

S C Martin
Head of Physics

Annex AStaff etc
