Dear Eugeny and Tatiana,

Thank you very much for  
the doll - 'matryoska?' and the spoons.

It was lovely to see you both on Tuesday  
evening - and Finnis as well - all looking so  
fit and Tatiana so beautiful and elegant.

I would have liked to have had  
you round to my house for a meal - but  
Nancy assured me this was not possible  
because of your very busy schedule!

It's been lovely having Ira to stay.  
We seem to get on well together!

I am sending a small bottle of  
Whisky and some Shortbread via Ira. These  
are specialities of my own country - Scotland.

With every best wish,

Sincerely,

Sam.
